'A Lifestyle for Learning'

Tuesday 5th February 2019

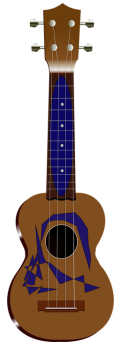

Welcome to Term 1, 2019!!!

We've had a great start to the term so far. Thanks to the teachers for their hard work over the holidays to get things ready (see photos below). Also, a HUGE thank you shout out to the families who helped out at the working bees. The school looks amazing! **A special welcome to Sabine and Boston!**

Music Lessons

Want to learn: guitar, ukulele or drums this year? Have fun as you develop new skills & confidence. We will have you belting out the songs you love in no time, ready for an end of year concert that rocks! Nervous beginners welcome. Call/text Craig Buttar (027) 7722877. Find us on Facebook under Musiqhub Manawatu or go to www.musiqhub.co.nz

Our fabulous classroom environments!

Tuesday 12th February, 5pm onwards. Come along to a fun-filled evening for all the family! There will be a free sausage sizzle, bouncy castle, slip'n'slide and the pool will be open. We will have the school open for people to come and have a look through the classrooms. There will be an optional informal talk about the evidence and research supporting play-based and project-based learning. The informal chat will also include how the formal side of English & Mathematics learning runs within the classroom setting, dispelling some myths that the students just 'play all day'. Please come along for a fun filled night! Bring a picnic tea and enjoy!
