

Monday 22nd July 2019, Term 3 - Week 1

Matariki Celebrations

At the end of Term 2 we learned the stories of Matariki, created artworks, kites and kai to celebrate this special annual event. Thank you to Billie who came in to make Fry Bread with the students. Yum!!!

Kaitiaki Projects – Maharahara

Maharahara students will be embarking on Kaitiaki (Guardian) Projects this term. They will be learning about our unique biodiversity, it's importance, it's threats and how we can work together to help protect it. The students will continue to work with Sarah from Horizons Regional Council to further develop their knowledge and understanding of our local area. They will also visit the Central Energy Trust Wildbase Recovery Centre to support this learning journey. The aim of these projects is to ignite students passion to preserve and protect our local environment, effectively becoming *Kaitiaki of our place - Ngā kaitiaki o tō tātou wāhi*.

Walker Learning
DEVELOPMENTALLY & CULTURALLY APPROPRIATE PRACTICE

End of Year Camps & Trips

We have two trips planned for Term 4. Maharahara students will be spending 3 nights at Forest Lakes Camp in Otaki. Then later on that term the whole school will be going to a Wellington Zoo sleepover to celebrate the end of a great year. These trips will be subsidised by the school and FOA however, there will be a cost to parents - \$40 per student for the zoo sleepover and \$120 per Maharahara student for the Forest Lakes camp. We wanted to inform you early so that parents have the opportunity to pay off these costs over the next 6 months if required.

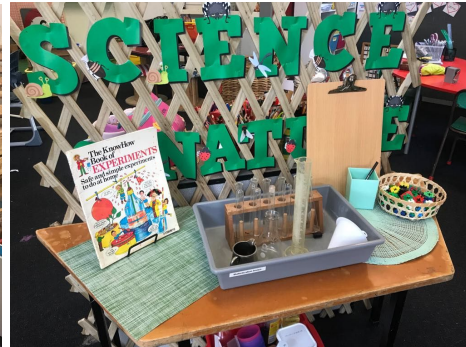

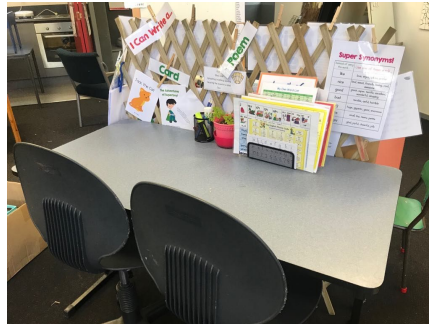

Good luck Miss Barr!

We farewelled Miss Barr at the end of Term 2 and wished her all the best for the arrival of her little boy sometime in October.

Welcome Whaea Rochelle!

Whaea Rochelle has worked hard over the holidays to set up Wharite for the new term. We are sure the children are going to love it!
