Kainui Cluster Basketball Tournament

Our Awahou Basketball team did a great job at the Kainui Interschool Cluster Tournament on Monday this week, coming in second! Well done team! It was a nail biting final, in which they played their hearts out. I am always so proud of the Awahou students teamwork, sportsmanship and positive attitudes at all events they attend. They are amazing young people who understand the importance of supporting each other no matter what. It was extremely evident during this tournament that our students are going to be wonderful young leaders when they leave Awahou School. Ka mau te wehi!

Van Pick Ups

I will be trialing daily van pickups from Palmerston North through to Awahou from now onwards. I will also trial a drop off point in Ashhurst after school.

The pickup points and times will be as follows...

- 7:35am - Across from Four Square/Super Seven in Milson (Next to Jennian Homes Milson Line Display Home)
- 7:40am - Linkwater Reserve, Kelvin Grove
- 7:50am - Ashhurst Library

The dropoff point and time is as follows...

- 4pm - Ashhurst Library - This will mean that children requiring this will need to be in after-school care for 30 minutes until 3:45pm, which will incur a cost. This time could be flexible if required.

This service is being provided to make getting to and from school easier for our families who live out of the valley. I will trial this for a few weeks to make sure my timing is right and to see whether the service is viable long term.

If you have any questions please feel free to contact me. If you would like to use the service please text or call to let me know.

Jake Stuart's awesome story...

How to Train Your Dragon

Today Hiccup and Toothless, and the other dragon riders are going on a field trip. They are going to an island called Never. It was night time when they got there and there were dragon hunters there. The dragon hunters captured Hiccup and the other dragon riders. The twin dragon riders stole the key from the guard and got away.
