There will be a range of competitions, games, food and activities. Please complete the attached form to let us know whether your child/ren will be bringing along a pet. All the competition crafts will be worked on at school this year, so all you need to do is bring along the pets!

Another great piece of writing to share with you from Boston Stringer...

Nascar Race

The engines roared loudly. The crowd was cheering the best player of all time The RedBull car!!! One person from the crowd was shouting, "RED BULL GOOO" 3 2 1 beep! The cars raced off around the sharp and tight corner. SKIIIRRRRTT! There was rubber coming off. So far the RedBull car was in lead but not for long! The American expert passed him, another tight corner then... CRASH, BANG, BOOM! One of the car's tires popped and skidded into the tire wall. The engine was on fire. The rescue crew raced to put it out. Then the safety car came and the race cars warmed up their tires. Then it was clear, "FINAL LAP" the loudspeaker said. Verm! Then all of the cars took off and the engines were louder than ever. The American car was in the lead! Suddenly New Zealand passed and he was long gone! And New Zealand WON the championship!!!
