

Monday 11th November 2019, Term 4 - Week 5

Maharahara Camp

Our Maharahara camp was fantastic! It was a bit wet to begin with but the weather soon improved. There was lots to see and do, including bush walks, 10 Pin bowling, kayaking, horse riding, mountain bike riding, swimming, sports and orienteering. The students also enjoyed the flying fox, waterslide, mudslide and just hanging out on the playground or recreation room. We were extremely well fed throughout the camp which was great. All the students were in bed and asleep by 9:15pm, which was awesome considering 'lights out' was at 9pm. It was a fab few days away, with everything we needed at our fingertips. There will be a few tired people over the weekend... and the kids might be tired also!

Athletics Day

Our school Athletics Day was a success. The weather was fabulous! We will have a great Awahou Athletics team to compete at the Kainui Cluster Athletics Day. Unfortunately, I was unable to take photos on the day, so if anyone has some good shots I could add to next week's newsletter please send them through to me.

Upcoming events...

Thursday 21st November - Year 7/8 Kainui Science Day

Thursday 28th November - Kainui Senior Athletics Day

Friday 29th November - Pet Day

Monday 2nd December - Wellington Zoo Whole School Sleepover (see separate newsletter provided)

Thursday 5th December - FOA (Friends of Awahou - Fundraising meeting) & BOT Meetings

Wednesday 18th December - Last day of Term 4

Pet Day - Arts 'n' Crafts help

Please remember to let us know if your child/ren will be bringing along a pet on Pet Day. Also, if you are available during the week before Pet Day to help our students create sculptures, pet rocks, as well as other arts and crafts please let us know.
