

## Hero!

We are delighted to be able to launch our new reporting system, Hero. The staff and students have been posting rich content to our Hero software and we are excited to share this with you to include you in your child's learning journey.

Our aim has been to implement a robust system that allows teachers, parents, and students to access learning in an online environment that is secure, easy, and effective.

Hero allows teachers and students to share learning anytime, anywhere and this can be viewed on any device. We are excited about the potential that the software offers. The report is designed to build year on year so that over time you will have access to written posts, assessments, images, video and helpful resources all in one place.

Please come along to an Information Session to see how it all works. We will be making sure that we have your email addresses up to date in our system for you to be able to login successfully. For information about how to log in and view your child's learning, go to... <https://www.linc-ed.com/pages.php?page=parent&>

## Tuakana-teina

Our tuakana-teina (older helping younger) programme has begun. The students are enjoying reading to each other on Tuesdays and Thursdays. We are also lucky to have the wonderful Marjory Marks reading with Wharite students every Wednesday.

## Requests

If you have any empty boxes or containers for construction we would love to have them, e.g., toothpaste boxes, cereal boxes, egg cartons, muesli bar boxes, clean yogurt containers.

If you have any of these Little Learners Love Literacy books at home please send them back to school. They are our specialised teaching books and we only have a certain amount to use.

## Caterpillar Creations!

Wharite students continued their learning about caterpillars after the excitement of the Monarch butterfly hatching last week. Some have written stories about it, some have created their own caterpillars, chrysalis and butterflies. Check them out...
