Upcoming Projects

Signage

We are very excited to announce that the funding for our new signage has been approved! These will be going up within the next month or so. There will be a new sign on the corner of Pohangina Road and Pohangina Valley East Road, plus a new two sided sign at the entrance of the school. The current sign at the school entrance will be moved to a spot where it is protected from the elements.

Tree trimming

We also gained funding to trim/prune all the trees and shrubs on the school grounds. This will ensure all the deadwood has been removed so that we can be confident that they are all safe to climb and will not drop branches in high winds.

Playground

The playground project is underway. The playground company we are using has all the measurements and photos to help us with our design. Watch this space!!!

Cross country running

Due to the uncertainty around Alert Levels and all the Kainui Cluster (Taonui School, Colyton School, Hiwinui School, Newbury School, Mt Biggs School, Bunnythorpe School & Awahou School) events being cancelled this term we had not planned a school cross country race. However, now that we are in Alert Level 1 and the increasing demand from many students we will start cross-country training. If all students could bring or wear appropriate footwear for running each day it would be much appreciated.

Kaitiakitanga Mural

We spent Friday creating artworks for our mural. We can't wait for you to see the final product, but it may take some more time for the paper mache to dry and the animals to be created. Here are a few pics of the work being done so far.

Have a great weekend in Alert Level 1!
