Monday 31st August 2020, Term 3 - Week 7

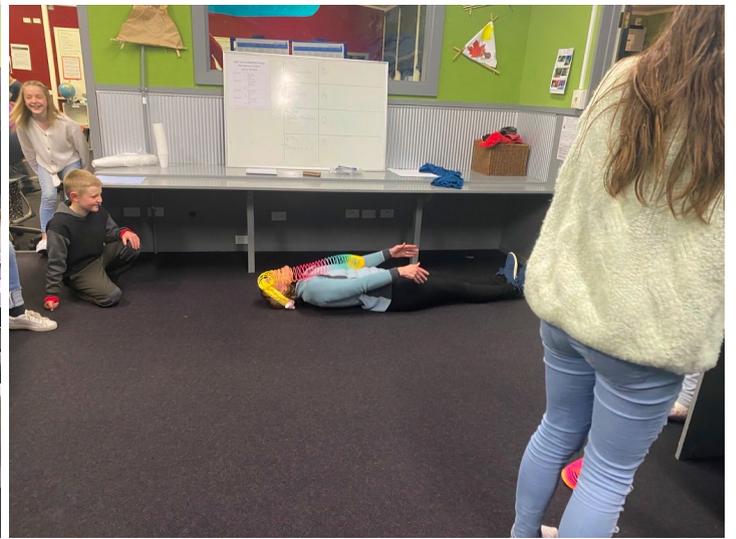

Are you smarter than an Awahou kid?! Quiz Night

Lots of fun was had at our 'Are you smarter than an Awahou kid?! Quiz Night' this week. Some were as smart as an Awahou kid, some were nearly as smart, some were a little bit as smart and some weren't as smart! 🤪

But everyone had fun and got to connect with others, which was the main purpose of the event. The children enjoyed watching Paddington 2. The Minute to Win It - Spot Prize games were a highlight and provided much entertainment.

A huge thank you to the FOA cooks and servers. All food was prepared and served within the appropriate health and safety guidelines. The burgers & chips, sausage & bread, as well as the desserts were delicious!

Awahou Author

This week's Awahou author is Hamish White (Year 6) with a very poetic spring poem...

Springtime

*Sun shining in the sky
I guess the forecast does not lie
Native birds hum through the air
Flax and Tui make the perfect pair
The temp is high and it's getting hot
Down at the river I know the perfect spot
Polen in the breeze
All the flowers make me cough and sneeze
Spring's coming
So you better get used to the bees buzzing*
