Future of Awahou School Survey Feedback

Thank you to everyone who completed a survey. We appreciate all the feedback. This will help us to guide the future direction of Awahou School, including our Strategic Planning and goals for 2021. Once this is complete we will share it with you.

GENERAL FEEDBACK SUMMARY FROM THE SURVEY:

The feedback we received highlighted the appreciation for:

- Our wonderful outdoor learning environment, with plenty of opportunities to engage in the wider community
- Our play-based learning in the juniors
- Our ability to cater for students interests and abilities across the school
- Our lower classroom numbers with awesome teacher to student ratio
- Our welcoming, family orientated culture
- Our regular trips out and about to explore our wider region
- Our great team and teaching energy
- Our clear reporting
- Our effective communication
- Our focus on putting student well-being first
- Our strong positive relationships with our students
- Our promotion of Kaitiakitanga - Guardianship & Manaakitanga - Kindness

(A summary of the feedback for areas of improvement will be provided next week)

Pet Day!

Pet Day is fast approaching! The senior students are starting to come up with ideas for games stalls. We will be creating a variety of arts & crafts to display and be judged on the day also. We would love some help with the arts & crafts prior to Pet Day, plus some help on the day also, so if you are available to help out please let us know. A notice will be coming home with more information, as well as asking for information regarding the pets coming along.

DATE: Wednesday 28th October (5-7pm)

5:00pm - Arrival time, settle pets in

5:30pm - Animal judging begins

6:30pm - Wheelbarrow race & Gumboot throw

7:00pm - Raffles drawn and pack up

There will be a bouncy castle for the kids, sausage sizzle and drinks for sale, games & prizes, raffles, face painting, crafty competitions on display and pets galore! So bring plenty of gold coins!
