WHEN: Saturday 23rd January, 10am - 5pm

WHERE: 692 Pohangina Road, Ashhurst

School Athletics Day

Wednesday 2nd December @ 9am

Maharahara (Year 4-8) Camp Feedback from students

My favourite thing about camp was the BMX. Soaring through the air on a bicycle is better than it sounds, hitting a bark jump and getting 65cm of air is very fun! With that amount of air, you can do lots of cool tricks like heel clickers, no handers, nac nacs! I had hours of fun hitting jumps and doing tricks so this is why BMX was my favorite thing at highland home cristian camp. By Hamish White

HIGHLAND HOME CAMP 2020

At camp we did lots of activities such as BMX biking, seeing glow worms and target shooting. All of them were awesome, but our favourite had to be the Initiatives Course. It was full of fun challenges and obstacles. Belle and I both thought that the most challenging one was when we, as a group, had to get everyone across from one side to another only using small stumps to stand on and planks. It wasn't as easy as it sounds though, because the planks were different sizes, which meant that only a couple could reach between each stump. We only figured that out when we were trying to get the one person to a particular stump and the one we were using couldn't make it! The reason why Gemma and I enjoyed this activity the most was because it was challenging but it was good for our initiative, hence why it's called the initiative course. :) By Belle and Gemma.

We had lots of fun at Highland Home. There was a water slide and long boards. We did lots of activities. I liked the long boards. I did not like the slug guns. By Shyloh Kauri

Last week we went to camp. I went in Trudi's van. At camp I did long-boarding and I rode a bike for the first time. The next day we went to the river and I caught a baby trout. Later we went on a horrible walk. Then we cooked marshmallows. Then we played spotlight. By Oliver Taylor

Highland Home Camp

My favorite thing was the water slide. The water slide was fun. We made up a fun thing called the machine gun. When we all go at once and we all crash into each other at the end. You can go very fast down it.

Pumpkin Plants

We have been donated a bunch of pumpkin plants. Thanks Frank Malton! There are enough for one each, so we thought we would hold a pumpkin growing competition! Each child can bring home a pumpkin plant to grow over the holidays to see how big they can grow it. There will be a range of prizes for different pumpkins. Students can share their progress with me over the holidays via photos if they want to, which I can post on Facebook.
