Awahou School

Ngā kaitiaki o tō tātou wāhi - Guardians of our place

Monday 30th December 2020, Term 4 - Week 8

Ithaca Session

The students had a blast at our session with the Ithaca performers. Thanks so much to the Manawatu Arena for organising this awesome competition! The show is on Saturday night @ 7pm if anyone wants to grab some tickets from Ticketek.

Smallholders' Auction

The Ashhurst-Pohangina Lions have asked us to support this event by helping out on the day. If you are available to help please let us know.

WHEN: Saturday 23rd January, 10am - 5pm WHERE: 692 Pohangina Road, Ashhurst

Drink Companies

Maharahara students have been learning about Financial Literacy, setting up small companies to produce and sell delicious drinks. They have tested different recipes, conducted market research, selected the best drink, worked out all the costs, set a price, designed and made labels with logos and slogans. They have done extremely well, working together as a team. The drinks will be available for sale after the Final Celebration next week, so bring along some \$ so you don't miss out!

Upcoming events...

- 2020 Final Celebration Wednesday 9th December @ 5:30pm
- Last day of Term 4 Tuesday 15th December
 @ 1pm

Swimming Pool

We are pleased to announce that the school pool is now open! Thanks to Frank Malton & Hamish Scott for all your hard work to get the pool ready! We will start swimming tomorrow (Friday 4th December), so if you could remind your child/ren to bring along their togs and towels it would be much appreciated. The water may still be a bit cool, so it might be a quick dip! If you would like a pool key, pop into the school office and pick one up (\$30 for school families, \$40 for non-school families).

School Athletics

We were able to finally hold our school Athletics session on Wednesday this week. Unfortunately, due to the boggy field we could only run the discus and shot-put events. Hopefully next year's weather will be more on our side! Thanks to Amie & Braydon Melody for sorting our long-jump sand sorted and also thanks to Arna Taylor who helped the students practice for the day.
