

Insect Art

This term we have been learning about insects. Today the students in Maharahara have completed some observational drawings of insects. They have done such an awesome job! They are also making prints out of these drawings to create a mural for the wall. Watch this space!

Kainui Junior Tabloid Sports

On Wednesday next week Wharite students will be heading to Mt Biggs School for the Kainui Cluster Junior Tabloid Sports. The children will be participating in fun games and activities with students from other cluster schools. A notice has been sent home in regards to this event.

Swimming Sports

We have our annual swimming sports on Tuesday afternoon next week in the school pool. We will be starting at 1:30pm. Come along to cheer us on if you can!

Yummy Stickers

Please find attached a Yummy Sticker collection sheet. If you purchase fruit from The Yummy Fruit Company it would be much appreciated if you could put your stickers on this sheet and send it back to school later on in the year. We will let you know when we need them back. With the yummy stickers collected we can choose free sports gear! Last year we received a free swimming pack, with new flutter boards, balls, dive sticks and dive rings worth \$140 (see picture below). The more yummy stickers we have the more sports gear we can get. You can also send in the cut out on the bags.
