### OUR RIVER

A community event organized by the  
Pohangina Catchment Care Group.

**SUNDAY 21<sup>ST</sup> MARCH 2021**

3:30PM AT CAMP RANGI WOODS

We are wanting to invite all interested parties to an event that will help to lift your understanding of our Valley's rivers and tributaries as well as show you what we, the Pohangina Catchment Care Group, are hoping to achieve in the future. This will be a family event with a workshop on the ecological health of our waterways, guest speakers and a presentation of the Pohangina Catchment Care Groups findings so far.

**Focusing on water quality, bio-diversity and pest control in your valley**

*Come along to this awesome event! Our senior leaders have been working on logo designs for the Pohangina Catchment Care Group. This will be displayed at the event for people to view and give feedback.*

## Awahou Author

This week's Awahou Author is Madison Cameron, 9 years, with her beautifully worded letter and poem to her Mum!

*Tuesday 9th March 2021*

*Dear Mum,*

*I'm really glad that you are my mum. You love me so, so much and same with me, you spoil me in your love and I really like that.*

*I love you more than anyone in this universe.*

*It must be hard saying that I'm the favourite child in front of MacKenzie, then saying that MacKenzie is the favourite child, but I know that I am the favourite child.*

*Here's a poem that I made for you mum...*

*No matter how far we are we will always have each other  
Our family love is brighter than the sun  
As you warm my heart, I will warm yours,  
Together we are brighter than the stars*

*From, the favourite child - Madison*
