

Weetbix Tryathlon

Well done to Madison Cameron, Jake Stuart, Vienna Dykman, Gemma Passey and Sabine Elston who participated in the Weetbix Tryathlon on Tuesday this week. Everyone had a great time and felt very successful with their efforts on the day. Watch out for some photos on Facebook of the event.

Pohangina Catchment Care Group

On Sunday last week the Pohangina Catchment Care Group held an information afternoon at Camp Rangi Woods. They asked our Senior Leader students to design some logos for them to display at the event so that people attending could vote for their favourite one. Number 7 designed by Temperance Ekdahl-Rodgers gained the most votes on the day. We also were asked to display some of the work the school has been doing to help support the health of our river.

Welcome

A huge welcome to Awahou School - Jack Trim! Jack joined our whānau last week. It is so great to have him with us. His big sister Jade is also loving having him around.
