National Young Leaders Day

Our Senior Leaders (Year 7-8 students) will be attending the National Young Leaders Day on Thursday next week at the Regent Theatre in Palmerston North. NYLD events include motivational talks from great New Zealand leaders, question times, videos, music and interactive activities. The speaking team consists of leaders in business, sport, politics, community service, science and the arts. There is a strong sense on the day that the baton is being passed, as an older generation of leaders imparts their wisdom into the emerging generation of young leaders. The message of the day develops, as students are challenged not only to reach their own personal goals but the goals of those they are leading.

We are hopeful that our new uniforms will be arriving before we go, so we can wear them! So fingers crossed.
